SUBJECT: STATEWIDE PERFORMANCE GOALS FOR PYs 2007-08 AND 2008-09

The purpose of this information notice is to transmit the statewide Workforce Investment Act (WIA) and Wagner-Peyser Act goals for Program Years (PY) 2007-08 and 2008-09. The Wagner-Peyser goals are the goals for the total program and do not reflect special negotiations associated with the Veterans' programs. These goals will be published in a separate notice.

The WIA Section 136(b)(3)(A)(v) requires the Governor and the Secretary of Labor to reach agreement on WIA core and customer satisfaction performance goals for the two year period aligning with the WIA and Wagner-Peyser State Plan process. Department of Labor Employment and Training Administration guidance requires that states reach agreement with the Secretary of Labor on the three Wagner-Peyser program performance measures for the same time period. The negotiations were completed on June 15, 2007.

Until individual Local Workforce Investment Area and program specific goals are negotiated, Local Workforce Investment Boards and program staffs should focus on achievement of the State-level goals while considering their historical performance. When completing local-level negotiations the Workforce Services Division will consider local circumstances related to services to special populations, client demographics, and different economic conditions.

If you have any questions about statewide performance goals, please contact Roy Staton at rstaton@edd.ca.gov or (916) 654-8295, or the [Regional Advisor](#) assigned to your program at (916) 654-7799.
